1. Attendance at the required high school sailing regattas under the auspices of the South Atlantic Interscholastic Sailing Association (SAISA) is mandatory and their rules for their regattas.

2. Team membership and the mandatory regatta attendance requirement does not guarantee that every sailor will sail at a regatta as that depends on the rotation of sailors at the regatta as well as weather conditions which determine the number of races that may be conducted at those regattas.

3. The fee includes one VHS "uniform item" per sailor.

4. The fee excludes participation in the VYBA's School Year C420 Racing Team program or other VYBA-sponsored events for the C420 Racing Team Program.

5. VYBA does not add sailboat charter fees, per diem regatta fees, nor are any damage deposits required.

6. The team will practice one day per week after school

7. **SAISA has postponed all sailing for 2020 due to COVID. Points Regattas will begin in 2021 depending on the situation. VYBA intends to practice and participate in scrimmages until points regattas resume.** VYBA will compete in spring points regattas as designated by SAISA.

7. Regatta attendance requires adult parents as chaperones at the regatta and during overnight hotel stays as may be required for certain regattas, particularly those on the east coast of Florida. It is expected that all 2021 Spring Regattas will be local to the Gulf Coast for this season. All regattas and travel will follow the VYBA School Year COVID prevention policy.

Schedule of Fees

$200.00 per sailor annually if the sailor also registers in our School Year C420 Racing Team Program.

$500.00 per sailor annually, if the sailor is not registered in our School Year C420 Racing Team Program.

Online Registration pay by credit card – Due by September 3rd. Choose "invoice me" to pay by cash or check. Fees do not include costs of travel to / from scheduled regattas.
